I HATE MY WIFE

BOTTOM TEXT

*It's Saturday, it's my day off.
And it's a beautiful day outside.
But my terrible wife says she
needs some help and that I
should stay inside.
But it's prime mackerel season
And Steve and John have these
great fishing lines.
She yaps "FINE" and crosses
her arms.
"I'll do everything all the time!"*

*I hate my bitch wife.
I hate my bitch wife.
I hate my bitch wife.
And I want to go fishing.
With Steve and John!*

*I hate my bitch wife.
I hate my bitch wife.
I hate my bitch wife
And I want to go
fishing.
With Steve and John.*

*I hate my bitch wife.
I hate my bitch wife.
I hate my bitch wife.
And I want to go
fishing.
With Steve and John.*

*I hate my bitch wife.
I hate my bitch wife,
I hate my bitch wife
And I want to go fishing
With Steve and John.
And not my bitch wife!*

*She literally destroys everything
I do.
She literally is my dream, my
fire, my enemy.
She literally ruins everything for
me.
And I also hate our children.*

Dried Brown

Oh, dried brown
 Always a frown
 When it's on the ground
 indoors!
 What could it possibly be?
 Crummy and Free?
 Hopefully it's not too smelly!

Pudding Cups!
 Someone's Pup?
 Is it mud from a shoe?
 Is it possibly you?
 Mushed Chocolate Chips?
 Some sort of dip?
 A mark of distaste or a
 Crime out of hate?

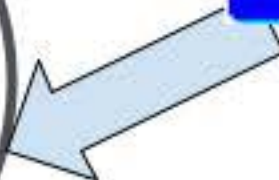

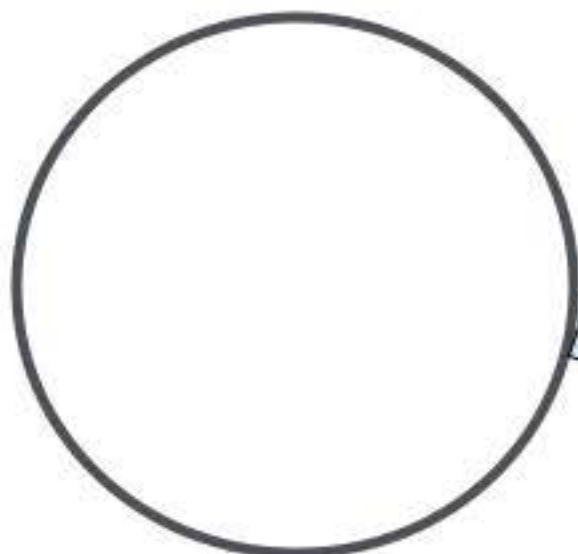

What does this mean?
 When dried brown (dried
 brown)
 Is on the...
 scene!

Agh, Dried brown
 Mystery on the ground.
 What could it possibly be?
 A piece of disease
 Clean it on my knees.
 Oh shit, I got some on me!

Pudding Cups!
 Someone's Pup?
 Mud from a shoe?
 Possibly You?
 Mushed Chocolate Chips?
 Some sort of dip?
 A crime of distaste a
 Mark out of hate.

What does this mean?
 When dried brown?
 Is on theeeeeeeeeee

Hierarchy of Needs

With a vape in my hand
 And an iPhone in the other.
 I cannot wait to meet
 My-my very distant lover.
 I pray everyday,
 To not end up like my-my mother.
 In a cul-de-sac of nothing
 Drinking water with **CUCUMBER.**

Oooooo!
 I see that - oh I can't be that.
 Ooooo!
 I need that in my
 Hierarchy of needs!
 I see that - oh I can't be that.
 Oooo!
 I need that, - in my
 Hierarchy of needs!

Oooooo!
 With a vape in my hand. (Ooooo!)
 And and a coffee in the other. (Ooooo!)
 I need to talk it out with (Ooooo!)
 My-my very distant lover (Ah Ah!)

Texting all of my feelings (Yeah!)
 Even though he can't be bothered (Oh no!)
 Squatting at the gym (Stop!)

Because I am a size larger. (**STOP!**)

O000o0ooo!
 I see that - oh I can't be that.
 O0ooo!
 I need that in my
 Hierarchy of needs!
 I see that - oh I can't be that.
 Oooo!
 I need that, - in my
 Hierarchy of needs!

I wish I can play pretend again. I wish I can be friends again. I wish I can be sexier without being such a **WHORE.**

I wish I can play pretend again. I wish I can be friends again. I wish I can be sexier without being such a **WHORE.**

I WISH I I CAN BE PRETEND AGAIN
 I WISH I CAN HAVE FRIENDS AGAIN.
 I WISH I I CAN BE I WISH I I CAN BE.

With a vape in my hand
 And an iPhone in the other.
 I cannot wait to break-up with my
 Very distant lover.
 Life will be better with someone else that
 I'll smother.
 I'll journal everyday until I'll
STOP TAKING COLD SHOWERS.

Ooooooo!
 I am there, oh I can't be there.
 O0ooo!
 I need that in my
 Hierarchy of needs!
 I'm seething, OH I'm not breathing.
 Oooo!
 I need that, - in my
 Hierarchy of needs!

Christmas!

The sleigh bells are ringing
 Tingalingaling-ing!
 The snowflakes are falling
 down.
 The choirs are singing.
 The gifts they are bringing,
 All over town!
 The nice kids got toys!
 The girls and the boys!
 Makin' snowmen come to life.
 Jesus is alive too.
 It's his birthday.

Fruitcakes and giving money.
 Partridge in a pear tree.
 White, Red and Green.
 Home Alone 1, 2 and 3!

It's Christmas time!
 Santa Claus is coming down
 the chimney he needs help from
 me!

And I'm like:

"Sure what's up?
 What do you need?"

And he says
 "Could I just use your
 bathroom?"

And I'm like
 "Sure totally!
 But when you do, make sure you
 please hold down the toilet handle
 because then it won't completely flush
 and then I'll get peeved off when I
 walk into the bathroom. Like I know
 you know because you're Santa Claus-
 wait I didn't mean it like that. Sorry
 I'm making it weird. I've been
 meaning to fix it but this problem is
 not that inconvenient but I guess it is
 because I'm telling you. Maybe you
 could gift me some cash to solve that
 and my other problems that would be
 great. - Wait sorry, that was rude.
 But I'll honest, I will be tempted to
 sell your pee if you don't completely
 flush - Sorry I'll stop talking."

And he said
 "Okay thanks."
 And I saved Christmas!
YEAH!
